## Christian Motivational Speaker and Trainer

Rich Curran is the son of an Irish immigrant, born and raised on the south-side of Chicago. He has spent more than 16 years building successful programs for youth and families at the local, regional and national level of ministry and has worked as a counselor and outreach worker for abused and neglected children with Catholic Charities in the inner city of Minneapolis, MN.

Rich will bring your group to the edge of their seats as they journey to discover the greatness that God has placed inside of them. Topics range from leadership development and evangelism to social justice, abstinence and choices.

Rich is a national speaker who has the reputation of helping teenagers and adults find meaning and purpose in their lives through Jesus Christ. His passion and enthusiasm for living life fully is highly contagious and his humor, stories and specific action steps leave audiences ready to make a difference.

Rich has been receiving invitations from dioceses, parishes, schools, community organizations and Christian Churches across the United States to motivate or train their members. Inherent to all of his keynotes, workshops and retreats is his message of hope and invitation to embrace the gifts God has given you.

Parents, have you ever wondered why when your children were younger they wanted to know where you were going, but now that they have become teenagers it seems they can't wait to tell you where to go? This 60-minute workshop will answer some of those questions as well as allow a hands-on approach to improving communication and respect between the parent and teen.

**Faith Based: Go Make Disciples**  
There is an old phrase that says, "faith is caught and not taught". With today's millennial generation nothing could be truer. Today's youth need to see God in you before you have any credibility to them. So...how do you evangelize? Evangelization simply means to proclaim the Gospel of Jesus Christ. Does your life draw people in to the love of Christ or help them turn the other way? With a mixture of laughter, stories and group sharing we will explore how each of us can be the ones ready to answer the call to "Go and make disciples"
